**NOTICE TO DP WORLD AUSTRALIA CUSTOMERS:
AMENDED ACCESS CHARGE DP WORLD AUSTRALIA'S FISHERMAN ISLANDS TERMINAL
FROM 1 JANUARY 2020**

Customers are advised that from 1 January 2020, DP World Australia will be increasing the Access Charge at our Fisherman Islands Terminal for road operators, and will also be adjusting a number of ancillary charges.

The Access Charge will be \$89.00 per container (exclusive of GST) and will apply to all full containers received or delivered via road at Fisherman Islands Terminal. Full containers received or delivered via road will be charged to the road carrier through the 1-Stop Vehicle Booking System.

In addition, we will adjust a number of Container Terminal Ancillary Charges that will apply at Fisherman Islands Terminal from 1 January 2020. These include:

- VBS Administration Fee – electronic
- Stack Run In & Out Fee
- Direct Return of Empty Booking Fee
- Import Storage Charges

Details of changes to Container Terminal Ancillary Charges are available at customer.dpworld.com.au/.

We recognise the importance of working closely with operators as part of implementing new or increased charges which is why we are providing extended notice, of 60 days, to assist with this transition.

Ongoing access to Fisherman Islands Terminal will be conditional on payment of the charges as per our conditions.

Our industry is experiencing rising costs in the most dynamic and competitive market conditions in decades. We are tackling this across a range of fronts including delivery of further efficiency and productivity initiatives. The continuation of the rebalancing of revenue recovery from waterside to landside is necessary to adequately account for landside costs, and fundamental to a sustainable future in this challenging market.

Yours faithfully
