**NOTICE TO DP WORLD BRISBANE CUSTOMERS
REVISED STACK RUN CHARGES**

Customers are advised that effective from **1st September 2020**, DP World Brisbane will be revising its Stack Run Charges, to include a charge on Empty Containers delivered to or collected from the Terminal by Stack Run.

Stack Run Charges are currently levied at \$18.45 for Full Containers only. There has been an increasing trend of Empty Container Stack Runs falling short of the booked volumes, creating inefficiencies with equipment deployment. This has incurred additional costs for the Terminal, which are now necessary to recover.

The Stack Run Charges effective from 1st September 2020 will be:

- **A\$18.45 plus GST per Full Container** (no change to current charge)
- **A\$10.00 plus GST per Empty Container**

A summary of the Brisbane Container Terminal Ancillary Charges is attached, and can also be seen at: <https://customer.dpworld.com.au>

Yours faithfully
