**NOTICE TO DP WORLD AUSTRALIA CUSTOMERS:
AMENDED ANCILLARY CHARGES DP WORLD AUSTRALIA'S FREMANTLE TERMINAL FROM 1
JANUARY 2019**

Customers are advised that from 1 January 2019, DP World Australia will be adjusting a number of ancillary charges at our Fremantle Terminal.

These include:

- VBS Administration Fee – electronic
- Stack Run In & Out Fee
- Direct Return of Empty Booking Fee

Details of changes to Container Terminal Ancillary Charges are available at www.dpworldaustralia.com.au/

We recognise the importance of working closely with operators as part of implementing new or increased charges which is why we are providing extended notice, of more than 90 days, to assist with this transition.

Ongoing access to Fremantle Terminal will be conditional on payment of the charges as per our conditions.

Usage charges are vital for ongoing investment and in the past year, DP World Australia continued to invest heavily in critical infrastructure across the business. Such charges help ensure a sustainable future in an increasingly competitive market.

A financially healthy stevedoring industry is vital for the long term economic well-being of Australia.

Yours sincerely
